THE VALEO EUROPE VISION

TRAIN. EXPERIENCE. **EVOLVE.**

Valeo Europe strives to develop and inspire each player through football, academics, and cultural immersion programs to approach our increasingly interconnected world with both optimism and excellence.

We aim to mold our players into future leaders by embracing our core principles, as a way to accurately reflect our overall philosophy and values as an organization.

VIA applies these values to encourage individuals to explore themselves by embracing their talents and strengths while seeking to build their overall character so they can positively influence their environment.

VIA is designed to meet the goals of serious footballers who are looking for a memorable experience that will take their game to the next level.

AGES 14-17

With the choice of attending for a one, two, or four week time period, these VIA Vacation Camps serve as an option for those looking to expand their football knowledge beyond their current limitations, without having to seek a long-term exchange program.

HIGH SCHOOL COLLEGE PREP

Valeo Europe is a unique soccer study abroad program for high schoolers, which offers them the rare opportunity to compete with international youth clubs while attending a local high school, or studying at Valeo Europe.

During this experience, they will also be residing in our beautiful Valeo Europe private facilities, giving these players the full professional academy experience. This ranges from learning Portuguese to adopting foreign training methods and concepts as part of their daily routine.

AGES 14-19

Valeo Europe truly covers all bases necessary to provide players with an unforgettable experience, while simultaneously setting them up to succeed in every aspect of their lives.

FUTBOL ABROAD

The College Program provides players with a unique opportunity to incorporate their passion for football into a traditional study abroad experience.

These courses also serve as an effective opportunity to earn credits toward a degree they are already pursuing at their domestic college or university.

The College & University Program is 100% student-oriented, meaning they have the freedom to follow their academic interests, rather than be required to take general education courses.

AGES 17-24

This Valeo Europe program reflects a perfect balance between intensive-football training and academic requirements, that will help the individual to grow at this crucial time in their young lives.

This abroad program also enables student-athletes to gain new skills and knowledge through the acquisition of a foreign language, culture, and ideas.
